

The Board of Trustees of the National Catholic Ministry to the Bereaved would like to extend their heartfelt condolences to the survivors of the devastating earthquake in Haiti. For those who perished as a result of the earthquake, May God embrace them in his loving arms, and may their souls find peace and eternal love.

Prayer for the Haitian Community

Dear God in this time of crisis, console our Haitian brothers and sisters as they mourn the loss of their loved ones. God of Compassion and Mercy comfort those in need and give strength to those who have traveled near and far to help the people of Haiti.

For all those who have died during the earthquake, may their souls find eternal rest. Lord, hear our prayer.

For families whose loved ones are buried in the rubble with no hope of survival, may they be comforted knowing that their loved ones are with the Lord. Lord, hear our prayer.

For those who are lost, both Haitian and American, that they are found and reunited with their loved ones. Lord, hear our prayer.

For those who are hurt and in pain, that aid and comfort may be forthcoming. Lord, hear our prayer.

For the Governments and various relief organizations that are providing aid, may their assistance be swift and efficient as they work around the clock to save more lives. Lord, hear our prayer.

As a community of faith, let us come together to pray for our Haitian brothers and sisters who are suffering the loss of their loved ones, the loss of a country, the loss of their dignity, the loss of their identity and the loss of their community.

We come to you in earnest Dear Lord, and plead with you to have mercy on the people of Haiti. Give them the strength and resilience needed to cope with the aftermath of this devastating earthquake. In your name we pray, Amen.

Blessed are those who mourn: for they shall be comforted
